Acceptance letters are in the mail, items are making their way to the printer for the souvenir program, and the floor plan as been developed. Just some of the many things that happen behind the scenes that bring the MHRC and our attendees the best car show in the country.

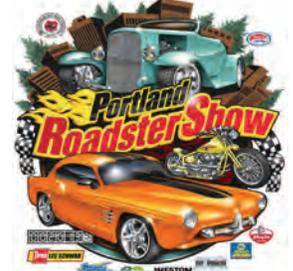

D'Agostino will be back at the PRS this year.

D'Agostino will also be bringing us one of his timeless classics, "The Caribbean", a beautiful full custom 56 Packard.

Along with So-Cal Speed Shop and TV celebrity Jimmy Shine, we have gotten confirmation that King of Kustoms George Barris and John

We have some great new vendors including Speedway, as well as larger participation from NAPA. This year's show will be bigger and better than ever. We are still looking for volunteers, so sign up today.

## MHRC & Portland Roadster Show Lose a Valuable Member

The MHRC and Portland Roadster Show, has lost a valuable and important member of our team.

Enrique Scanlon passed away on Feb. 11th after a valiantly fought battle with

cancer. Enrique was responsible for the software that controlled many aspects of the Portland Roadster Show, including coordination and tracking of move-in activities, the PRS souvenir program and the wonderful awards presentation. Enrique also was responsible for our Dragin' Newsletter. The consummate professional, Enrique was never one to look for attention and adulation. He was content to be working behind the

scenes to ensure that exhibitors and attendees to the PRS got the best experience possible.

Enrique ran a successful translation business, and was a US Veteran. Active in the Northwest Z, and Pharaohs Street Rodders Car clubs, Enrique will be remembered for his intellect and quick wit. He was a true car lover and enjoyed sharing stories of his experiences. His passing has left a tremendous void in our car community and more importantly, the Portland Roadster Show. It will take many to pick up the slack of what this one man would accomplish for the PRS. Please consider doing so in his honor.

Enrique is survived by his wife Debbie, his Mother, and siblings. A memorial service is being planned for the near future.

## From Your Multnomah Hot Rod Council President -

*Mike Itel*

As many of you may know by now, on Monday February 11<sup>th</sup> we lost one of our MHRC members Enrique Scanlon after a year-long battle with a major health issue. Enrique played a major role in recent years with MHRC & PRS computer technology and the Awards Ceremony at the Portland Roadster Show. A memorial will be held after the Roadster Show and Enrique will be missed by everyone.

*The 2013 Portland Roadster Show is coming together with a full venue of cars, vendors and celebrities. This year's show is anticipated to be another outstanding event.*

*The MHRC was represented at the Salem Roadster Show held February 9<sup>th</sup> and 10<sup>th</sup> at the State Fairgrounds. The MHRC & PRS had a booth at the event and Duane was successful in signing up some great cars and vendors for the Roadster Show. Thank you to those MHRC members that came and helped staff the booth during the show.*

*Duane and I did an hour long cable TV interview on Wednesday February 13<sup>th</sup> regarding the Roadster Show. This interview will be aired several times on*

*local cable TV. I have to acknowledge Duane for doing a great TV interview on the Roadster Show and the MHRC.*

*The MHRC Board of Director elections will be held at our next meeting on Tues. Feb. 19<sup>th</sup> and in preparation for the Roadster Show there is a Portland Roadster Show Volunteer meeting scheduled for Tues. Feb. 26<sup>th</sup> at Stark Street Pizza for volunteers to come and sign up to help at the show and have pizza on us. This is a fun event at which Miss Oregon 2012 (Nichole Mead) will be present and Duane Caseday will be updating everyone on the upcoming Roadster Show. I hope to see everyone there.*

## Portland Roadster Show to be featured in One Hour Cable Program

We will be obtaining DVD's of the interview, and will make it available for MHRC clubs to check out and share with their clubs. We will also be working to see if we can get the interview uploaded to the MHRC website and YouTube.

# Portland Roadster Show and MHRC Members at the Salem Roadster Show 2013

The Multnomah Hot Rod Council and the Portland Roadster Show were both well represented at

the recent Salem Roadster Show.

The Salem Roadster Show in their 6th Year, is an "invite only" show, where the promoters Bob & Greg, invite roughly 100 cars from shows they visit during the previous year.

A non-judged show, all of the participants receive a jacket that is embroidered on the back with the Salem Roadster Show logo and "Award Winner" below. This has become a desired show to be invited to, and you are only allowed to show once. Which creates an opportunity for visitors to see different cars each year.

Having the Portland Roadster Show booth there, allows show Director Duane

Caseday yet another opportunity to solicit both exhibitors and vendors for our upcoming show. Many thanks to Bob & Marlene Miller, Keith Preskey, Gary Parham, Larry Weber, Mike Itel, Duane Caseday, and David Jochen for helping to staff the booth.

There were several MHRC member club participants in the show as well. The

Panichello's 1968 AMX, Keith Preskey's

1939 Chevy truck, and Sage Wolffeathers VW Bus.

We mentioned that this was a non-judged show, but there are two awards that are given. Each of the two Show Directors pick a car as their favorite. Their picks are made based on a variety of factors, including which one they would like to drive home, but more importantly, the passion behind the build, and the associated story of the car.

Pharaohs Street Rodder Bill Graham and his 1972 Pontiac Grand Prix were honored with one of these precious picks.

Congratulations to Bill, and he would like to share the honor with his friend Randy Wooley, who assists Bill with the car.
