## MHRC's "Wish Come True" Trip Featured in Auto Outlook

The Northwest Automotive Trades Association's quarterly publication, the Auto Outlook, recently featured the MHRC's "Wish Come True" trip for Brendan Adams on their cover. The publication that features information, stories and market statistics for their association,

included a story about the trip inside, titled "A Teenager's Wish Becomes A Tall Automotive Order. It covers

not only the trip, but all of the hard work that took place before, during and after the trip, to ensure that Brendan truly had the trip of a lifetime. Thanks to all who helped make this happen.

# Happy New Year 2013

## Multnomah Hot Rod Council President - *Mike Itel*

As we enter into 2013, we can't help but be excited with the anticipation of another great year of events and opportunities to help others.

Our next important event is the 57th Annual Portland Roadster Show, scheduled for March 15th through the 17th. This year's show will be another outstanding event, and I anticipate that once again, we will hear that it was even better than the year before.

In preparation for this years show, there will be an official Portland Roadster Show

meeting February 26th at Stark St. Pizza in place of our regular MHRC monthly meeting. The main purpose of this meeting is to create an opportunity for volunteers to come and sign up to help at this years show, and we will feed you pizza for doing so! Duane Caseday, PRS Director and myself will be joined by Miss Oregon 2012 Nichole Mead, to update everyone on the upcoming show, and all it will have to offer our guests. I extend my personal invitation, and hope to see you there.

Being this is the first Dragin' of the New Year, I think this is a good time to remind ourselves of what the Multnomah Hot Rod Council is all about.

**Multnomah Hot Rod Council - Mission Statement:** The Multnomah Hot Rod Council is a non-profit organization founded in 1956 for promoting the automotive hobby in a safe and enjoyable environment for car owners in the Northwest by providing an

event (The Portland Roadster Show) for vehicles to be displayed each year. The Portland Roadster Show allows other non-profits such as the (Kyron Horman Foundation, American Cancer Society and the Diabetes Foundation) to be a part of the show at no cost, as a service to the community. The Multnomah Hot Rod Council awards Automotive Scholarships to students in high school and community colleges in the Portland and southwest Washington area, contributes to the Randall Legacy Emanuel Hospital for children with cancer, the Ronald McDonald House, and is a sponsor of the Miss Oregon Organization for young women.

I look forward to working with all of you this year, great things are too come.

Cruisin' on into 2013!

## Promote Your Business in the Official Portland Roadster Show Program

Do you want to promote your business or service to the over 30,000 visitors to this year's Portland Roadster Show, or someone that might? Maybe your mechanic, painter, or parts supplier, or someone not even in the automotive industry! Well here's your chance, by placing an ad in the 2013 Portland Roadster Show program.

The high quality, full color 70+ page program will be offered for sale during all 3 days, and in many people's mind, is a timeless keepsake. Don't miss your chance to

be exposed to all that buy it. The Dragin' staff wants to issue a challenge to all MHRC clubs and members. We challenge each club to get at least one ad sponsor for this years program! And for all that do, we will share it in a future issue, including the club that procured the most ads.

You can find information and ad prices, on the PRS website at [www.portlandroadstershow.com](http://www.portlandroadstershow.com) under the Program Advertising section. Let's make this the biggest and best program yet!
